markilux

The best under the sun

markilux syncra pergola

With the additional posts at the front and the tracfix lateral cover guidance system, this option offers particular advantages in terms of size and wind stability.

markilux syncra flex

The ballast boxes allow installation without concrete foundations on site.

markilux syncra uno

Two feet. One awning. No problem! The markilux syncra uno proves itself a stable base even with just one "wing".

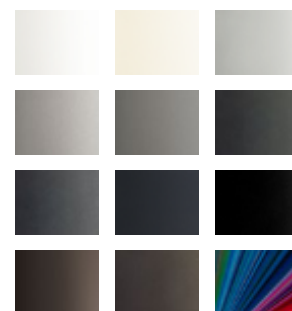

markilux designer awnings. Made in Germany.
Create the most alluring shade in the world.

Awning system
depending on the awning
model up to 60 m²,
as a coupled unit even larger
areas are possible

Arm technology
depends on the awning model

Options
depends on the awning model
coloured lighting (RGB-WW) and
shadeplus,
