

Fetuna and Integral Cassette Awnings

Often it is confusing to know which type of Awning to choose. We can help guide you through this process and ensure you get the result you are wanting to achieve. However, you may find this sheet helps answer some of your questions in regards to our Cassette Awnings – Fetuna versus Integral.

Cassette awnings are great if you require maximum protection and modern design with little maintenance. They can be retracted when not in use ensuring the canvas and folding arms are completely concealed and not compromised by the elements.

Docril fabric is designed and manufactured in Spain and known for it's superb quality with an extensive colour palette. Docril offers an impressive selection of 132 vibrant colours to suit any décor and comes with a 10-year UV warranty.
